

EOI-Supply Tyres, Batteries and Shocks for Company Vehicles

Document Release Date: 13th February 2024

Last Date for Receipt of Proposals: 4th March 10:00Am

1. INTRODUCTION

Safaricom Limited is a leading telecommunications company offering a comprehensive range of integrated telecommunication services, including mobile and fixed Voice, SMS, Data, Internet, and Mobile money (M-PESA) to over 30 million subscribers. Safaricom currently holds a market share of 67% and commands the widest mobile network coverage enabling it to maintain its position as the region's mobile market leader. Our efforts are geared towards positively impacting the lives of those in the communities around us and thus we strive to change the present to improve the future.

Safaricom requires the services of a reputable firm to Supply Tyres, Batteries and Shocks for Company Vehicles. The successful supplier will be required to provide these services country wide.

This document constitutes the formal Request for Expressions of Interest (EOI) for Supply Tyres, Batteries and Shocks for Company vehicles and is being availed via the Safaricom iSupplier portal. This is a closed solicitation meant for your company and a select few, thus details should not be transferred, or information shared with any other company. Please confirm your interest in submitting an Expressions of Interest towards this EOI by acknowledging receipt & participation via the Safaricom iSupplier portal.

2. AIMS AND OBJECTIVES

Safaricom Limited operates a fleet of 473 vehicles scattered across the country. The fleet is managed centrally by the Fleet and Travel team. This Expression of Interest (EOI) document is intended to lead to the identification of suppliers that can demonstrable having sufficient capacity to provide these services in the best possible way and in a manner that enables Safaricom to meets its expectations.

Safaricom is therefore soliciting from interested companies an Expression of Interest clearly showing the following:

- Locations of tyre centers country wide clearly indicating the exact locations.
- Tyre labs Locations countrywide.
- Partnerships with tyre disposal companies
- Authority from manufactures and relevant authorities to offer such services (Provide evidence of compliance with statutory requirements, certification and all other relevant licenses).
- CV's of key staff that are directly contracted by the company to inspect vehicles and fit in the tyres, batteries and shocks
- Current list of clients where similar services are provided.
- Years of experience as prime service providers
- Company Health and Safety policy, processes and procedures

You will find this as questions on the Safaricom iSupplier portal. Please take your time to properly review and answer the questions contained therein. Suppliers not familiar with the iSupplier portal may directly request for a training session in writing upon receipt of this EOI.

3. SCOPE OF SERVICE

- The supplier will be expected to carry out the following pit stop services, but not limited to;
 - Compressive vehicle Inspection and reporting.
 - Tyre fitting and tyre rotation
 - Tyre digital wheel alignment, wheel Balancing, caster camber balancing
 - Tyre pressure Adjustment to the recommended PSI
 - Assess the condition of battery and replace where necessary.
 - Assess the condition of the suspension including shocks and replace where necessary.
 - Tyre repair puncture as a value add.

4. RESPONSIBILITIES

It is the responsibility of the contractor to show commitment to providing consistent high quality services throughout its countrywide locations.

The supplier must ensure;

- After delivery service - Ensure tenacious follow-ups of staff concerns.
- Environmental conservation - Preserving and caring for the environment as a moral imperative and part and parcel of sound business practices, developed and rolled out initiatives to minimize our business's environmental impact and promote environmental awareness.
- Health & Safety – Should be committed to ensuring the health and safety of all, by use of appropriate PPE & PPC.
